Vegetarians can be catered for at no extra charge. Those with other special diets should note that a surcharge of £5 may apply.

While under 3s may attend without charge, we still need to know they are coming. Please note that cots are not provided.

Your place cannot be guaranteed until we have received your deposit. After your deposit has been received I will send you a confirmation email hopefully within two weeks. As per the information leaflet, the full cost needs to be paid by **30th June**, also by bank transfer.

Please use \_\_\_\_\_ as our reference. It is very important that you use the reference given so that track can be kept of who has paid what.
